

R/RAMPS

FOLDING EL

The Folding EL Walkramp is made exclusively for the Randall Elevated Platform or other middle door platforms. Drivers will appreciate its lightening fast deployment, minimal back exertion, and not one, but two safety latching systems.

EASY, QUICK AND SAFE

The Folding EL is designed for deployment in seconds, with as little lifting as possible.

REDUNDANT SAFETY LATCH SYSTEM

A **spring-loaded latch** and **safety strap system** keep the Folding EL in its place until the driver is ready to use it.

CARRIER

Carbon-steel Carrier mounts easily to the cross-members of the trailer floor. E-coated and powder coated black to stop rust in its tracks.
