

# Insulated Pallet Covers & Blankets

## Thermal Insulated Pallet Covers and Blankets

provide temperature protection for a wide variety of products that are susceptible to temperature fluctuations such as fresh fruits and vegetables, ice cream, pharmaceuticals, and high-tech equipment.

### Insulated Thermal Pallet Covers and Blankets:

- Maintain product integrity
- Protect products from the harmful effects of sun and rain
- Reduce cross-contamination
- Reduce the risk of pilferage by covering pallet contents
- Economical and reusable
- Easy to fit with adjustable corner Velcro®
- Customized according to customer requirements, colors, markings, and specifications
