## **IACSC 2014 – WE'RE HEADING TO BOCA RATON**

Elmhurst, IL (October 30, 2014) The International Association of Cold Storage Construction (IACSC) Conference & Expo is where 200+ cold storage contractors, operators, and suppliers meet each year for three days of industry-specific education and networking. Randall is very pleased to be among this group at the Boca Raton Resort & Club in Boca Raton, Florida, November 6<sup>th</sup> – 8<sup>th</sup>.

Our exhibit at IACSC, booth #30, will feature [InsulWall®](#) - the insulated, flexible curtain wall solution – used in a variety of cold storage applications. Whether creating cooler rooms for produce, craft beer or pharmaceuticals, InsulWall provides flexibility, modularity, and energy-savings. Randall Manufacturing will be showcasing:

**[GREEN InsulWall®](#)**: Used in all types of industries requiring warehouse temperature division, GREEN InsulWall – effectively and quickly divides warehouse temperatures and space with the ability to easily move or expand. In addition, GREEN InsulWall contributes to LEED scores with its recycled insulation core.

**[What's Behind Your InsulWall® series](#)**: Our video and print testimonial series featuring unique applications in a variety of industries. See and hear why decision-makers used InsulWall to save energy, maximize space, protect valuable equipment and be GREEN.

Connect with us at IACSC, booth #30, and learn how InsulWall® can help cold storage contractors, operators, and suppliers save space, energy and money. Visit us at [randallmfg.com/warehouse](http://randallmfg.com/warehouse) or call us at 800-323-7424. Register for IACSC at [www.gcca.org](http://www.gcca.org)
